WHAT WOULD HAPPEN IF WE TREATED OUR BOOK OF MORMON  
LIKE WE TREAT OUR CELL PHONES?

What if we carried it around in our pockets or backpacks?

What if we turned back to get it if we forgot it?

What if we opened it several times a day?

What if we spent an hour or more using it every day?

What if we consistently received messages in the text?

What if we treated it like we couldn't live without it?

What if we searched it for new applications?

What if we used it when we traveled?

What if we turned to it in case of an emergency?
