INTERACTIVE TIMELINE

Old Testament

HELLO FRIENDS!

Well, here it is!

The year we have all been waiting for! Our study of the Old Testament begins.

We have heard from so many of you how daunting, intimidating, and confusing the Old Testament feels. We want to help you fall in love with this book of scripture and realize how simple this study can be, so we created this **Old Testament Interactive Timeline**.

The Timeline is a free printable download you can use as a study tool to see the big-picture storyline of the Old Testament. Each week, you will place at least one piece of the timeline onto the poster according to what we are learning in *Come, Follow Me*. Watch the story unfold visually week by week, until we have completed the entire book by year's end.

What you need to know:

The download includes two parts: the black-and-white timeline and the colored pieces for each week. Heartfelt thanks to our friend, Eva Timothy, who created the art specifically for this project. (www.evatomothy.com)

BEGIN by printing the timeline. It is designed to be a 2 ft X 3ft engineer print. Most copy shops can print this size. Ask for it to be printed black and white. You may want to have the large timeline drymounted, or laminated, or put on foam backing to give it more structure. Perhaps you will hang it somewhere in your house—in the place where you do your study—or maybe you will pull it out each week for your lesson.

NEXT, print the colored pieces you will attach to the timeline week by week. The pieces are included in this four-color PDF. You can print these pages at home or at the copy shop. They print out on 8.5 X 11 paper and are designed to fit the 2 X 3 timeline.

NOW, cut out the colored pieces for the timeline. You can do this all at once at the beginning of the year, or each week as you move through each lesson. You might want an envelope to store all the pieces in. Some may choose to laminate these pieces too, so they can be put on and off several times (imagine being halfway through the year and removing all the pieces to see if your kids or the group you study with can do the timeline on their own!)

How do you know when and where to place each piece? Each week for the next 52 weeks, our newsletter will tell you which piece to place onto your timeline. The spaces on the timeline are numbered 1-52 according to the lesson they correspond with that week, so you will know exactly where to place the piece. Sign up for the newsletter at www.dontmissthisstudy.com. You will also be able to access the info weekly on our app.

We can't wait for this study to begin! We are about to get so smart! Our greatest hope is for you to fall in love with the Old Testament this year.

Thank you for studying along with us,
